

## **FEBRUARY NEWSLETTER**

We have started 2025 with a very good attendance – the 1 day NLM Sectional was highly successful (even with a dismal weather report that morning).

**NEW OFFICERS FOR COMING YEAR** – President – Alice Gallagher; Vice President – Sue Peck; Treasurer – Marilyn Goodrich and Secretary – Susan Lee.  
Judy Gaines has stepped up to be chairperson for our Social Committee.

**NEW PARTNERSHIP DESK** – Steve Hamburg has volunteered to take over this undertaking – both Open and limited. You can contact him by email – charlotte bridge [assoc@gmail.com](mailto:assoc@gmail.com) or 312-339-2622.

**CUBBIES** – CBA has purchased several Cubbies and thank you to Greg LeBlanc for setting them all up around the playing area. We are asking players to put their purses or any other items in one of them (leaving floor by table/chairs clear). Coats can be hung out in the entrance.

Carpeting was just CLEANED – we are requesting all players to pick up anything that you drop or spill. Thank you to all who helped both take down and put up table and chairs for this project!

### **CONGRATULATIONS – New Plateaus**

Junior Masters – Gail Azaroff, Lindsey Boyer, Quinn Davidson, Sandra McDonald, Anne Schleusner, Susan Simpson

Club Masters – Amy Borrass, Susan Castle, Murray Walker

Sectional Masters – Jennifer Miralia, Andrew Weber

Diamond Life Master – David Smith

**MEMBERSHIP NEWS** – Our thoughts are with Susan & Don Lassiter who are dealing with medical issues. They have been missed! Susan Lohr had a knee replacement and is doing very well. Recovering now is Shay Connors who has gone thru quite an ordeal since November. She broke her hip and then after this – fell and broke her back. Shay has been in rehab and is “near” to going home. We are looking forward to seeing her return. I, too, have been dealing with problems since November. Lost hearing in right ear which then caused severe dizziness/and nausea. When I decided to head to ear doctor – could not get up and ended up by ambulance to Hospital. This past week had an MRI and have lost hearing in ear – diagnosed – Schwannoma. Will be seeing new doctors in couple of weeks. Please keep all of us in your thoughts and prayers.
