

CBA Virtual Club Games on Bridge Base Online (BBO)

Current Schedule:

See CBA website.

Cost:

\$5/person/session. See below to make sure you purchase BB\$ to pay for your entries.

Director:

Our own Tom Snyder will be directing all of our Virtual Club games.

Email: <mailto:tasbbo@gmail.com> Phone: 704-333-9117 BBO Username: VACB254920

Creating a BBO Account and Buying BB\$ Dollars:

See link on CBA website.

Put your ACBL number into BBO:

To win masterpoints on BBO, BBO must have your ACBL member number. To play in the 0-499 section, BBO must have your ACBL member number. Virtual Club games pay 50% more masterpoints than BBO ACBL masterpoint games. When BBO shows you how many masterpoints you win, these will be increased by 50% when sent to ACBL Live and to the Common Game, so check either of these to determine your true masterpoint winnings.

How to put your ACBL number into BBO: See link on CBA website.

Registering to Play in a CBA Virtual Club Game:

Initially you should plan on registering at least 90 minutes before the published start time. You and your partner must be online at BBO at the same time to register. You must have played at the Charlotte Bridge Assn during the previous 18 months to be able to play in a Virtual Club game. If your registration is not successful, then contact Tom Snyder and he will get you setup. He may contact Janet or Len Case if he does not have you on the list he receives from the ACBL for resolution. If you are new to BBO, you should get with your partner and play casually to get used to BBO. There are Apple and Android apps for playing on BBO, but if possible use a laptop or desktop. Try to purchase BB\$ via a laptop or desktop because Apple and Android will add at least 20% to the cost if you buy it through them.

Here's how to register: See link on CBA website.
